CONSTITUTION OF THE SOCIAL RESPONSIBILITY AND SUSTAINABILITY COMMITTEE FOR THE AY 2025–2026

This is to inform that the **Social Responsibility and Sustainability Committee** is hereby constituted at Kripalu Mahila Mahavidyalaya for the academic year 2025–2026. The Committee has been established in accordance with the guiding principles of Criterion 7 (C7) of NAAC, which emphasizes *Institutional Values and Best Practices* as well as those related to environmental sustainability and social responsibility vertical.

Functions of the Committee:

- Implement and monitor green campus initiatives, including tree plantation drives, clean campus campaigns, and reduction of plastic use.
- Promote sustainable practices such as energy conservation, water management, waste segregation, and the use of renewable resources throughout the campus.
- Plan and oversee eco-friendly infrastructure projects, including rainwater harvesting systems, installation of solar panels, and campus-wide LED lighting to reduce energy consumption.
- Organize awareness programs, training sessions, and campaigns on energy and water conservation, environmental ethics, and sustainability for students and staff.
- Coordinate community outreach and extension activities on issues like environmental protection, social justice, gender equity, and ethical values.
- Collaborate with NSS, NGOs, and local authorities to implement socially impactful initiatives and foster active civic engagement.
- Foster a gender-sensitive and inclusive campus environment through regular sensitization workshops, policy implementation, and support systems.
- Oversee campus safety measures by ensuring the installation and maintenance of CCTV surveillance, fire safety equipment, adequate lighting, emergency exits, and other necessary safety infrastructure.
- Encourage student-led sustainability projects, internships, and research aimed at addressing environmental and social challenges.
- Ensure documentation and compliance with NAAC Criterion 7 requirements, including the preparation of AQAR and SSR reports and the adoption of best practices aligned with accreditation standards.

The Committee will work in collaboration with academic departments, student bodies, and administrative units to foster a culture of sustainability and social consciousness across the institution. It constitutes the following members. All are requested to actively support the Committee's efforts toward building a greener, responsible, safe, and value-driven campus.
